## SOFT SKILLS

- Problem-Solving
- Team Leadership
- Time Management
- Critical Thinking

## TECHNICAL SKILLS

- Figma, Adobe XD
- C, C#, Python, JavaScript
- MERN, CSS, Html
- OOP, OOAD

## LANGUAGE

- Sinhala
- English

## INTEREST

- Traveling
- Watching Movies

## EDUCATION

- **Bachelor Of Information and Communication Tech. Honors Degree** 2022 - Present  
Specialized in Software Engineering  
Faculty of Technology - University of Sri Jayewardenepura
- **G.C.E. Advanced Level Examination (Engineering Technology)** 2018 - 2020  
1A and 2Bs including ICT  
Bandaranayake College - Gampaha
- **G.C.E. Ordinary Level Examination** 2012 - 2017  
9As for all the subjects  
Bandaranayake College - Gampaha

## CERTIFICATIONS

- **CS50's Introduction to Computer Science** ↗ 2024  
Harvard University - edX
- **Certificate Course in Computer Application** 2018  
Nenasala Education Center
- **Certificate Course in Graphic Design** 2018  
Nenasala Education Center

## PROJECTS

- **Bookmark-Buddy** ↗  
Web extension for efficient bookmark management with features like search, sorting, grid/list views, and dark mode. Built with JavaScript, HTML, and CSS, integrating the Chrome Bookmarks API.
- **Labs and Lecture Halls Reservation System**  
Developed a web-based system for efficient scheduling and reservation of labs and lecture halls, implemented using the MERN stack to ensure seamless integration and functionality.
